**Meet
our
TEAM**

WE work as a ONE to achieve certain things.

Jalal K. Dudin

Founder / CEO

Our key to success is our passion and attention to every single detail we carry out and that's what has differentiated us from others.

Over and above our ongoing commitment to our clients, we offer the finest services and equipment and that's how we earned great recognition in the events production industry.

My main asset as the Managing Director of Creative Communication Group is my team, who are fully dedicated and has worked with me in accomplishing significant productions. Along the years, we had provided numerous events and services that solely relay on the expertise of my team.

As we strive to stay on the top of technology and constantly update and aquire news products in our inventory. I could proudly say that we are one of the most professional talented full service events production and pro-audio visual rental companies in the Middle East.

Here, I gladly present to you our services supported by snapshots from our portfolio.

Michel Khairallah Production Director

Michel Khairallah joined CCG In January 2007, following 4 years of experience in the event industry around the Middle East in which he managed several artists and led a team of event organizers, covering all event aspects from planning to delivering.

Throughout his journey, Michel realized the power of light on space and people's perceptions. Within two years with CCG, Michel Led the Lighting Department to become what it is now, executing the biggest shows in GCC, which quickly made him a well respected and trusted Lighting Specialist mastering designs and technicalities and we continue to count on him in leading our production team forward.

Maria Bou Abdallah Production Manager

Dynamic, proactive and highly motivated, Maria has joined Creative Communication Group in November 2017. Previously, she had successfully lead high scale National Day festivities around the GCC countries while working with Agence Publics.

Her drive was to deal with the greatest challenges during planning, set-up and operations phases, undertaking day-to-day follows up with Governmental Committees and suppliers, leading a team of 45 people. Her multitasking ability empowered her to deal with highly demanding requests in several roles with a strong capability to work under unusual pressure. Maria has previously worked as a producer in several cultural TV Channels which allowed her to acquire a deep understanding and knowledge of the local arabic culture.

Sofian Dudin Director of Operations

Sofian joined Creative Communication Group in April, 2012 with 10+ years of diversified hospitality experience, in sales, marketing, catering and food & beverages. As Director of Operations, he provides leadership, management, and vision for the company as our market continues to grow.

Began his career with Le Meridien Hotels food & beverage department. Since then, he has held management positions in various markets working for Starwood, and Applebee's with the most recent one being in Catering Business of Four Seasons hotel & resorts.

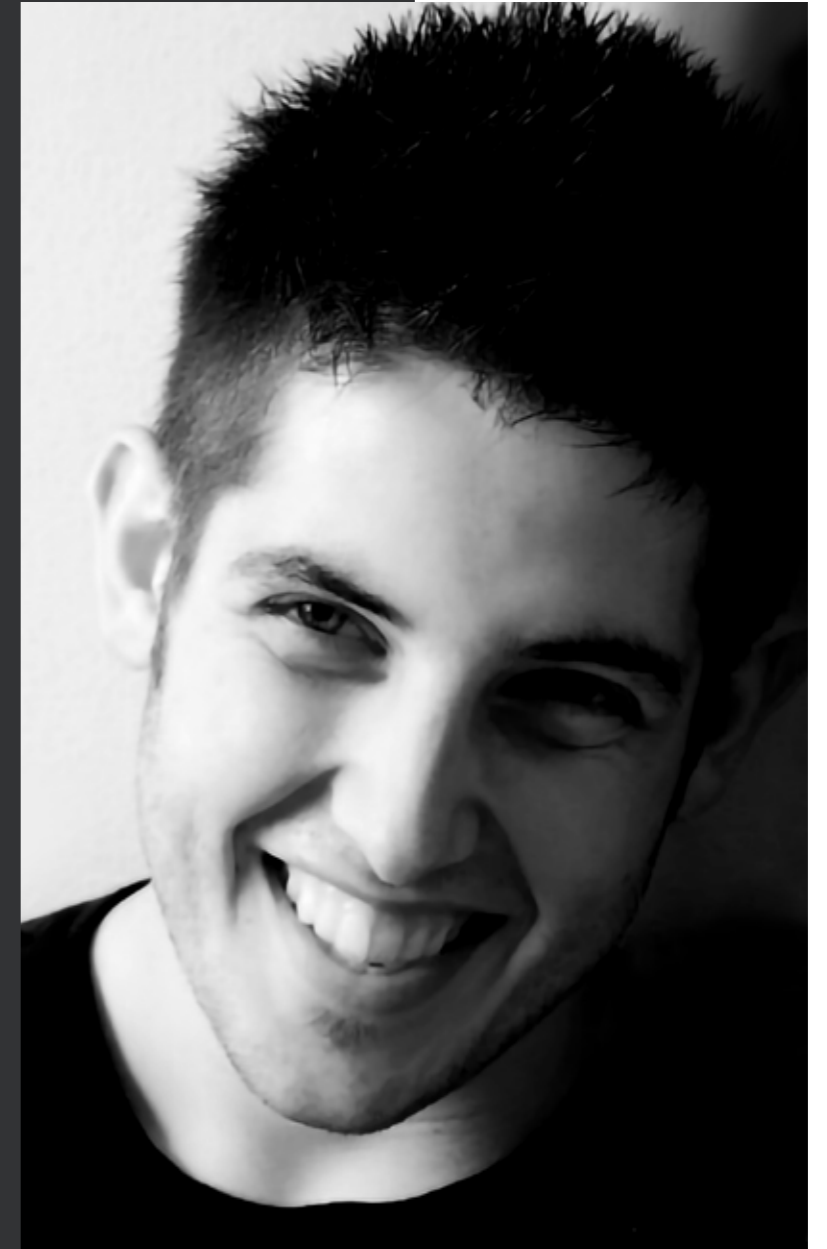

Sofian hold a bachelor degree in hotels management from Applied Science University Amman, Jordan. Enjoy playing basketball and love any type of group spot.

Shaun Brown Director of Sound Department

Shaun joined Creative Communication Group in January 2015, with 10+ years of experience in the live sound industry. He started his career in South Africa as a Sound Engineer for various festivals, corporate events and live broadcast channels where he gained a wide range of experience over his field in the industry.

He joined CCG in 2010 for the first time as a freelance Sound Engineer for some festivals in GCC. From there, a good relationship was build that later gave him the opportunity to join the team as a full time Sound Engineer and leading the sound department. Shaun's love and passion for the industry is shown in every aspect of his work.

Rony Charbel

Audio Visual Manager

Rony Charbel, joined CCG in January 2013 with 6 years of experience in Lighting designing, programming and Sound engineering from medium to big scale events around Lebanon.

Started freelancing with CCG end of 2012 to join later the lighting department, became an Audio Visual Manager, handling all AV requirements from lights ,sound and led screens in the Hotels AV department.

Ehab Shehata

Audio Visual Manager

In 2015, EHAB joined CCG with 15 years of experience in the events industry. He gained extensive experience in lighting with leading companies in Egypt. His practical experience expanded further during an 8-year position as a Senior Technician for lighting and sound at the American University in Cairo's . Through his years of work with CCG , he obtained many additional experiences, especially in the field of video and visuals.

Ehab is always excited to learn about the newest things in the event industry, showing a strong desire for continuous learning.

Duane Brown

Audio Visual Manager

With over two decades of comprehensive experience as a Sound Engineer, including positions as a Technical Manager, Production Manager, and Tour Manager, Duane's multifaceted background positions him as a versatile and accomplished professional poised to contribute effectively to the esteemed team.

Across his career trajectory, he has consistently exemplified an unwavering dedication to orchestrating exceptional sound experiences that resonate across a diverse array of international live events, productions and projects.
